For Official Use:

Membership Application Form

The Engineering Alumni Singapore (EAS) is an independent society for all graduates of the Engineering Faculty of National University of Singapore and all its predecessor institutions. EAS is a platform for engineering alumni to share knowledge and experiences, collaborate in pursuit of projects of common interest, and take an active part in interaction with the NUS Faculty of Engineering.

Application to join EAS is now open.

**Objectives**

The objectives of EAS are:

- To promote, encourage and foster civic, social, cultural, sporting, educational and engineering activities among members of the Alumni.
- To promote the interests and welfare and to uphold the prestige of its members.
- To maintain close and cordial relationship with the NUS Faculty of Engineering and such other like organisations in the interests of the engineering profession.
- To disseminate informed opinions on social, economic and educational matters, and issues and affairs in the interests of the engineering profession to the widest possible extent.
- To publish papers, journals and other materials to achieve the above objects.
